_____

Please answer the following statement:

☐ **YES,** my child has one or more of the following conditions: Catheterization, Oxygen Support, Gastrostomy Feedings, Ventilator Support, Colostomy, Tracheostomy, Apnea Monitor, or has a 'DNR' order.

NOTE: If your child has a chronic health impairment (conditions including but not limited to those listed above) that requires nursing or medical procedures, the Northern Nevada R.A.V.E. Family Foundation is UNABLE to care for him/her at the Center. The Center is not staffed with medical/nursing professionals at this time. If your child does have one of the following health impairments, please contact the Director of Family Services for alternate respite options.

☐ **NO,** my child does not have any of the conditions listed above.

*Physician or Therapist's Signature (***required***): _____
(If you cannot get a physician to sign, please attach documentation from the doctor confirming diagnoses or special healthcare need, and confirming that the child is fit to be in a group care setting.)
